

An aerial photograph showing a large, multi-story brick building complex, likely a university campus. The buildings are surrounded by dense green trees and a parking lot. The architecture is a mix of brick and lighter-colored sections. The image is taken from a high angle, looking down on the campus.

An aerial photograph showing a dense urban environment. In the foreground and middle ground, several multi-story buildings are visible, many with flat green roofs. The buildings are interspersed with large, mature green trees. A prominent building with a red facade is visible in the center. The background shows more buildings and a large area of greenery. The overall scene depicts a well-developed urban area with significant green space.

An aerial photograph showing a dense urban environment. In the foreground, a large, multi-story building complex with a prominent green roof dominates the view. The building has a complex, angular shape with several interconnected sections. To the left of this complex, there is a large, dense area of green trees. In the background, other buildings of varying heights and colors (red, yellow, white) are visible, interspersed with more greenery. The overall scene depicts a mix of urban development and natural space.
